

ALEXA TUTTLE

VOICE ACTRESS. AUTHOR. FILMMAKER.

SAG/AFTRA

I write books, make movies, and (my favorite...) bring stories to life with my voice. I love recording for commercials, videogames, animation, e-learning, audiobooks... everything! My voice has been described as articulate, animated, bubbly, bright, clear, enthusiastic, real, relatable, smooth, playful, youthful, and warm and often lends itself best to Young Adult (12-20), Adult (20-30), and Thirty-something (30-40) characters.
